From 1945 to 1962, the magazine Arts & Architecture sponsored a project in which they commissioned prominent architects of the era to design and build inexpensive and functional model homes for all of the soldiers coming in and causing the residential housing boom. There were 36 designs, although not all of the homes were built; most that were ...

All About Post-War Architecture | HGTV

Architecture is a picture book of economic and social history. The rise of America's middle class during the mid-20th century can be traced in the movement from 1920s-era Bungalows to the practical homes that evolved in rapidly expanding suburbs and exurbs, especially in areas with a high population density.Mid-century modern became a style not only of architecture, but also of furniture and ...

Guide to Mid-Century American Homes, 1930 to 1965

PERIOD OF POPULARITY: 1945 - 1980s BACKGROUND AND INSPIRATION: Modern architecture follows similar characteristics of International style, though is freer and more flexible with its forms and designs. This is really an exercise in categorizing and labeling, as the International style could be placed under the broader category of modernism.
