I'm hoping to self-teach myself A level Biology as well as some other subjects for 2018, have you found any useful resources yet? The learning isn't the problem for me it's just the finding material to learn from! I was going to do NEC which is £625, but doesn't include practical exams.

## **Self teaching A level Biology??? - The Student Room**

"According to the teaching of the Buddha, the idea of a self is an imaginary, false belief which has no corresponding reality, and it produces harmful thoughts of 'me' and 'mine', selfish desire, craving, attachment, hatred, ill-will, conceit, pride, egoism, and other defilements, impurities and problems."

Most of the skills I use to make a living are skills I've learned on my own: Web design, desktop publishing, marketing, personal productivity skills, even teaching! And most of what I know about science, politics, computers, art, guitar-playing, world history, writing, and a dozen other topics, I've picked up outside of any formal education.
