manifestations across the epochs in Europe, Asia, Africa and North America, chronicling its sordid details and perpetrators but in an extra-ordinarily well-written account that does not overwhelm you.

## **Blood and Rage: A Cultural History of Terrorism by Michael ...**

The prose of Blood and Rage itself is highly engaging, pacy and insightful, if occasionally a bit too opinionated. Burleigh is an erudite man and sometimes his propensity to interlink several points within a single sentence can be confusing, especially as he frequently makes quite subtle inferences which can leave one baffled unless one has his cultural and educational background.
