Bobos in Paradise is a work of informal sociology that goes with the insights of Charles Murray, whose Bell Curve is mentioned but whose more important work may be the later Coming Apart, as well as liberal communitarians like Robert Putnam in Bowling Alone.

Bobos In Paradise: The New Upper Class and How They Got ...

David Brooks purports to present a new social class, replacing the previous upper middle classes, so aptly described in Fussell's Class: A Guide through the American Status System - namely bobos - the bohemian bourgeoisie. His observations start in the 50s and he follows the transformation of two distinct social groups (historically at loggerheads), namely the bohemians and the bourgeoisie ...
