Crucial Conversations is a self-help book aimed at business leaders to improve their interpersonal and communication skills through theory, practical advice and examples.

Crucial Conversations: Summary + PDF - The Power Moves

This book equips you with the skills to confront disappointing performance and behaviors, so you can solve problems, improve accountability, and strengthen relationships. In a previous book, the authors addressed how to deal with crucial conversations, which are about handling disagreements. Crucial confrontations are about disappointments, which arise when people don't do what you believe they should be doing; these involve broken promises/rules, missed expectations or bad behaviors.
