Cyberia is a book by Douglas Rushkoff, published in 1994.The book discusses many different ideas revolving around technology, drugs and subcultures. Rushkoff takes a Tom Wolfe Electric Kool-Aid Acid Test style (or roman à clef), as he actively becomes a part of the people and culture that he is writing about.The book goes with Rushkoff as he discusses topics ranging from online culture, the ...

### Cyberia (book) - Wikipedia

Cyberia is about a very special moment in our recent history — a moment when anything seemed possible. When an entire subculture — like a kid at a rave trying virtual reality for the first time — saw the wild potentials of marrying the latest computer technologies with the most intimately held dreams and the most ancient spiritual truths.
