important to think about all of the possibilities, rather than be closed minded. When looking to make a decision, people should consider more than one option, and adopt a “this and that” mindset.

Decisive: How to Make Better Choices in Life and Work Summary

In “Decisive”, the Heath brothers explain

Read Free Decisive How To Make Better

why we make poor decisions, and how we can counter our own mental/emotional biases to make better choices. The authors present 4 key steps in a typical decision-making process, the “villain” that causes bad decisions at each step, and how we can counter them using the “WRAP process” to make better choices.

Overconfidence can easily make your judgment go awry. 1 Studies consistently show people tend to overestimate their performance as well as the accuracy of their knowledge. Perhaps you are 90% sure you know where the office is that you're visiting. Or maybe you're 80% certain you can convince your boss to give you a promotion.
