Some Executive Assistants see the position as a "stepping stone". They take on the role as a means of climbing the corporate ladder and "getting in good" with a top executive. This is a tried and true method of getting your foot in the door. The position is a great way to make a name for yourself and learn the ropes of the business, especially because you're learning directly from the top leaders of the company.

## **The Effective Executive Assistant**

I've worked with several executive assistants over the years, and I have found it is a make-or-break relationship when it comes to my success. Think about it: None of us can do it all on our own. We need to bring others into our work to help us succeed in it. And the bigger the dream, the more help we usually need.

## **The Top Ten Mistakes Leaders Make With Executive Assistants**

There is no question that a great executive assistant can make all the difference to your success as an executive. Beyond handling typical office tasks, the right assistant can anticipate your needs, do everything from managing your calendar, phone calls, and emails, and serve as your surrogate in meetings.
