Grade 5 Science Elementary Course Curriculum

The Next Generation Science Standards (NGSS) are K-12 science content standards. Standards set the expectations for what students should know and be able to do. The NGSS were developed by states to improve science education for all students. A goal for developing the NGSS was to create a set of research-based, up-to-date K-12 science standards.

Next Generation Science Standards

Superintendent Randy Dorn formally adopted the NGSS on October 1, 2013, and announced the adoption with Governor Jay Inslee on October 4. Washington is the eighth state to adopt the Next Generation Science Standards. The NGSS are now called Washington State Science Learning Standards. The WSSLS
