### An Introduction to Genre Theory - University of Washington

Introduction. Auteurism has arguably been at the center of film practice, theory, and historiography since the 1950s. Originating in the films and writings of the French New Wave, and specifically in the film criticism of the Cahiers du Cinéma during the 1950s, auteurist criticism usually located the creative center of a film in the controlling perspective of the film's director, thus ...

### Auteurism - Cinema and Media Studies - Oxford Bibliographies

Film studies is an academic discipline that deals with various theoretical, historical, and critical approaches to films.It is sometimes subsumed within media studies and is often compared to television studies.Film studies is less concerned with advancing proficiency in film production than it is with exploring the narrative, artistic, cultural, economic, and political implications of the cinema.
