2001 Ford Expedition XLT The expedition is a good rugged vehicle. With MY expedition being a 2001 my biggest problems are fuel pump, coil packs, and my idle air control valve. But overall for being so old it is very good. Interstate I get about 400 miles to a tank of gas and around town about 325. Not too bad for its size.

2001 Ford Expedition I really like that its 4 wheel drive. It has a 6 disc CD changer which I also like. I enjoy the fact that it has third row seating, and I am able to fit the whole family on outings. I believe ford did great with the expedition, but I don't like that I am unable to do some work on the engine.
