Guardians of Language: The Grammarian and Society in Late ...

The grammarian was a pivotal figure in the lives of the educated upper classes of late antiquity. This profession contributed to the social as well as cultural continuity of the Empire. This title provides a study of the place and function of this important but ambiguous figure.

Guardians of language : the grammarian and society in late ...

The fictional Servius's defense of analogical archaism and the respect for the veterum auctoritas that it implies conform thoroughly to Macrobius's idealized vision of the literary culture: they are in accord both with Servius's role as the good grammarian, the man who guarantees the continuity of the language, and with the more general notion that stamps each page of the dialogue, the belief that the cultural tradition continues as a living presence, influencing and validating every aspect ...
