Introduction To Electronics 5th Edition

This new edition places qualitative research within current debates about research methods and alternative ways of knowing. While the authors approach the subject from a sociological perspective, they also take care to reflect the many changes in conceptualization of qualitative research brought by post-structural and feminist thought.

The ninth edition of An Introduction to Language continues in the spirit of our friend, colleague, mentor, and coauthor, Victoria Fromkin. Vicki loved language, and she loved to tell people about it. She found linguistics fun and fascinating, and she wanted every student and every teacher to think so, too.
