Beginning with an introduction to the  
topic, The Handbook of Organizational  
Rhetoric and Communication offers  
coverage of the foundations and macro-  
contexts of rhetoric—as well as its use in  
organizational communication, public  
relations, marketing, management and  
organization theory. It then looks at  
intellectual and moral foundations  
without which rhetoric could not have  
occurred, discussing key concepts in  
rhetorical theory.

## **Handbook for an Organization**

It is increasingly accepted that institutions matter for economic organization and outcomes. The last decade has seen significant expansion in research examining how institutional contexts affect the nature and behavior of firms, the operation of markets, and economic outcomes. Yet institutions conceal a multitude of issues and perspectives.
