Comprehension strategies are sets of steps that good readers use to make sense of text. Comprehension strategy instruction helps students become purposeful, active readers who are in control of their own reading comprehension. The seven strategies here appear to have a firm scientific basis for improving text comprehension.

### Seven Strategies to Teach Students Text Comprehension ...

While showing compassion to others is a top way to teach this value to a child, allowing a young person to experience compassion first-hand is even more impactful. When your child is hurt or sick, be sure to provide abundant TLCC (tender, loving, compassionate care.)

### 8 Ways to Teach Compassion to Kids | HuffPost

Kids need objective, nonjudgmental feedback in order to improve their behavior. When a problem arises, find a calm time to discuss what went wrong, why, and how it can be handled differently next time. This gives usable directions to students who do not already have a structure and the vocabulary needed to regulate their emotions.

### How to Teach Self-Regulation | Edutopia

Singing is an invaluable skill that many children love to learn. If you start teaching kids to sing young, this can foster a lifelong love of music. Start with basic notes and keys and then teach children a few songs and exercises. As singing is a technical skill, professional can help to really develop children's voices.

### How to Teach Children to Sing: 14 Steps (with Pictures) ...

This may not be possible. If you can only meet once a week and that's it, then once a week it is. But whenever possible, "chunk" learning-three times a week for 20 minutes or twice for 30 versus once for an hour. How effective this is depends on what you teach and the age of the students you're teaching it to. 5.
