Just a few months in, the fifth child is already moving around quite violently in Harriet's womb, trying "to tear its way out of her stomach." Harriet, concerned, visits Dr. Brett, but the doctor insists there is nothing out of the ordinary, prescribing her a sedative for her nerves. Harriet also begs her friends for additional tranquilizers, hiding this dependency from David.

A large, happy family is disrupted by the arrival of the fifth child, who seems to be some sort of throw-back to a pre-civilised era of the human race. The novel rushes on relentlessly, aided by the absence of chapters or even page breaks, despite the fact that it covers some 20 years in the life of its protagonists.
