For over 30 years Wally has been the Flash. When DC launched the New 52 a few years ago, Wally was nowhere to be seen and they had gone back to Barry as the Flash. Barry is also the name of the character used on the Flash tv show (though many feel a lot of Wally's personality is in that character) The Flash in this book is Wally West.

FLASH is a novel about desperation. The desperation that puts previously decent people on a slippery slope, and the desperate circumstances in which their victims wind up. The plot of FLASH evolves from a failed innovation. (I have a lot of experience with these, having spent 20 years on the cutting edge of the medical technology industry.)

The Flash: Stop Motion by Mark Schultz: audio book by Graphic Audio, is pretty good. This story is part of a series of books about the Pre New 52 DCU Justice League. As far as I know all of the books are stand alone stories, and I don't think you need to read them in any particular order to understand any of them.
