The Gospel of the Flying Spaghetti Monster is here, and pirates the world over rejoice. If you're familiar with the noodly one, you've probably got a good idea of what to expect here-- it's offensive, it's lowbrow, it's amusing, in some vague, distressing sense of the word.

The Gospel of the Flying Spaghetti Monster by Bobby Henderson

The Gospel posits that the universe was created by a gigantic, sentient, flying tangle of spaghetti and meatballs. The reason why the Earth is so flawed, Henderson argues, is that the Flying Spaghetti Monster (FSM) had created it while heavily intoxicated.

The Gospel of the Flying Spaghetti Monster

The Gospel of the Flying Spaghetti Monster is a parody that spoofs Intelligent Design (ID) as a pseudo-science. The concept for the book originated from a letter written by the author, Bobby Henderson, in protest of the Kansas State Board of Education's decision to require intelligent design in their school science curricula as an alternative theory to natural evolution.

The Flying Spaghetti Monster (FSM) is the deity of the Church of the Flying Spaghetti Monster, or Pastafarianism. Pastafarianism (a portmanteau of pasta and Rastafarianism) is a social movement

that promotes a light-hearted view of religion and opposes the teaching of intelligent design and creationism in public schools. According to adherents, Pastafarianism is a "real, legitimate religion, as ...

Flying Spaghetti Monster - Wikipedia

An elaborate spoof on Intelligent Design, The Gospel of the Flying Spaghetti Monster is neither too elaborate nor too spoofy to succeed in nailing the fallacies of ID. It's even wackier than Jonathan Swift's suggestion that the Irish eat their children as a way to keep them from being a burden, and it may offend just as many people, but Henderson puts satire to the same serious use that Swift did.
