Myth and the Historical Jesus. August 18, 2014 / 24 Comments / in Historical Theology / by Cassandra J. Farrin. When Jesus is deconstructed and when it becomes clear that the Christ of miracle, mystery, and authority never existed, it is a short step to wondering if the Jesus story as a whole is a myth—something made up, perhaps by a creative school, reflecting both the deepest construct and value of human spirituality.

The picture of the "historical Jesus" is always a story we tell and not knowledge we discover. While historical criticism cannot recover Jesus, the historical approach to Jesus is important because, rightly understood, it participates in the process of individuation, as described by Jung, through the withdrawal of the projection of the self from the figure of Jesus. The secular historical view tends to minimize the role of Jesus in the region, stating instead that he was barely noticed by others. Secular historians who believe that Jesus existed rely on the Gospels as essentially historical, but inflated, accounts of his life.
