The House That Bogle Built

The House that Bogle Built combines three components into a fascinating book: a biography of Jack Bogle, a history of the creation of Vanguard, and a description of the forces that drove the man and the creation of a great company. These three elements were woven into a compelling story.

The House that Bogle Built: How John Bogle and Vanguard ...

The House That Bogle Built chronicles the years of Bogle's development from college whiz kid into a titan of the mutual fund industry and shareholder advocate--highlighting his creation of the Vanguard Group and the Vanguard 500 Index Fund and his frequent battles to shake up the status quo. It takes you through the two decades he spent running Vanguard, until his forced retirement in 1999, and discloses what he thinks about the fund industry today.
