of people living during the Middle Ages lived in the country and worked as farmers.

Usually there was a local lord who lived in a large house called a manor or a castle.

Local peasants would work the land for the lord. The peasants were called the lord's "villeins", which was like a servant.

refinement that still greatly affected daily life was the use of buttons as closures for garments, which allowed for better fitting without having to lace clothing on the wearer. Windmills were refined with the creation of the tower mill , allowing the upper part of the windmill to be spun around to face the direction from which the wind was blowing.
