New Urbanism is an urban design movement which promotes environmentally friendly habits by creating walkable neighborhoods containing a wide range of housing and job types. It arose in the United States in the early 1980s, and has gradually influenced many aspects of real estate development, urban planning, and municipal land-use strategies. New urbanism attempts to address the ills associated ...

New Urbanism - Wikipedia

Localism describes a range of political philosophies which prioritize the local. Generally, localism supports local production and consumption of goods, local control of government, and promotion of local history, local culture and local identity. Localism can be contrasted with regionalism and centralized government, with its opposite being found in the unitary state.

WHAT IS THE ALTERNATIVE UK? We are a political platform, not a political party. Our purpose is to catalyse a new politics that goes far beyond our current reality. We focus on engagement more than elections, on values over ideology, on futures that include, not exclude. We care about solutions, challenges - and great questions. Beneath the democratic deficit lies an imagination deficit.
