User's manual - VTech Phones USA

To mount your telephone on a wall: 1. Remove the telephone line cord from the telephone wall jack, and the telephone base power adapter from the electrical outlet (if necessary). 3. Route the telephone line cord through the hole on the wall mount bracket and plug it into the telephone wall jack.

VTech dect 6.0 cordless telephone User Manual

Install the telephone base and charger(s) as shown below. Make sure that the electrical outlet is not controlled by a wall switch. If you subscribe to DSL (digital subscriber line) high-speed Internet service through your telephone line, you must install a DSL filter between the telephone line cord and the telephone wall jack.

User's manual - VTech Technologies Canada

Tip 1 of 1. Your phone has the Call Block feature activated, which prevents callers from reaching you if they do not provide their phone number with the incoming Caller ID. Your phone rings once. The call then automatically disconnects. To turn the Call Block feature off for all incoming calls without numbers:

Tip 1 of 1. During initial setup or after a power loss, you may need to set the time. If the time is not set, CL will be flashing in the base display window. NOTE: If you have caller ID service, the time will automatically be updated whenever caller ID information is delivered. However, since caller ID delivers the date, rather than the day, you must program the year once so the system can ...
