What We Saw at Night: Amazon.com: Books

"I dropped my GF off the night we saw The Mothman Prophecies. It wasn't a super scary movie, but it had some scares. I take the interstate home. On the way, there is a curve where there aren't any lights. Just a dark stretch of interstate. "As I came around the bend, there was a guy in a black trench coat walking along the side of the road.

What We Saw at Night eBook by Jacquelyn Mitchard ...

About What We Saw at Night. Like the yearning, doomed young clones in Ishiguro's Never Let Me Go, three teenagers with XP (a life-threatening allergy to sunlight) are a species unto themselves. As seen through the eyes of 16-year-old Allie Kim, they roam the silent streets, looking for adventure, while others sleep.
