2005 Honda Accord LX  
Sedan Honda's are  
very reliable. My car is  
over 10 years old and  
has over 200,000 miles  
in it but still runs great.  
Honda's are very  
reasonably priced and  
super efficient. I  
honestly will never buy  
another make of car.

NGT According to autoevolution.com, Iranians have converted over a quarter million cars to run on Compressed Natural Gas until now. In Tehran, one of the most polluted cities in the world, all buses run on CNG, while almost all of the city's taxi drivers have been forced into converting their cars.
