In 1948 when the existing Technique was revised, his keen and analytical brain devised the chart form for our Technique Books which is used until this day. He painstakingly tabulated, proofed and printed the Technique which had been updated by the Ballroom Faculty of the ISTD. In addition to this, the articles in his Monthly Letter Service

By the Bed When you've no nightstand to speak of—or you simply want to mix things up—try stacking a dozen or so large-format books to create an impromptu bedside table. This technique also works well for creating a low-slung drinks table (top the stack with a tray to protect the book covers) that you can place beside a sofa or a chair.

People, how is your nurse bedside manner? A good nurse-client relationship is essential in ensuring quality patient care.

Therapeutic communication is the key to achieving this and a nurse's soft skills are important in making it possible.

Although the patient's sociocultural and psychological well-being are critical considerations in
