Interpretation Of The Prc Consumer

The PRC Unfair Competition Law of 1993 (the "Old Law") was amended for the first time since its introduction 24 years ago, bringing some important changes including some related to intellectual property. One of the highlights of the Amendments (the "New Law") is the introduction of an effective system to change an infringing trade name.

Rouse - Summary of PRC Unfair Competition Law Amendments

Amended Law Contains Provisions That Could Help Improve Consumer Protections According to Chinese legal scholars and officials, the amended PRC Law on the Protection of Consumer Rights and Interests ("Consumer Protection Law") contains provisions that, if implemented as stipulated, could improve consumer protections across a number of areas.

The Law of the People's Republic of China on Protecting Consumers' Rights and Interests (CPL), adopted on 31 October 1993, deals at length with the civil liability of businesspersons.

Consumer protection law in the People's Republic of China

With the proliferation of consumer protection laws in the PRC and the appearance of a more demanding public, manufacturers and sellers are bracing for more liability claims. Minimising liability involves carefully documenting the manufacturing and sourcing processes to show that an allegedly defective product was, in fact, in good working order.

Product Liability in the People's Republic of China ...

The history of the People's Republic of China details the history of mainland China since October 1, 1949, when Mao Zedong proclaimed the People's Republic of China (PRC) from atop Tiananmen, after a near complete victory by the Communist Party of China (CPC) in the Chinese Civil War. The PRC has for seven decades been synonymous with China, but it is only the most recent political entity to ...
