Super MOD is a modification by DaBOSS. Very similar to your typical ingame trainer, Super MOD does not only allow the players to spawn, equip and control any characters as they wish, but it also presents a row of additional features (such as vehicle spawning, turning gravity on/off and changing season).

Super Mod | Bully mods Wiki | Fandom

As a bully player for many years now (pre scholarship edition) I've found it hard to show the new generation the early stages of rockstar and I think it's important to preserve that even if it means changing with the times. Please rockstar remaster and/or continue the Bully series! And add achievements!!
