## **Joe Diffie - Wikipedia**

Dog behavior is the internally coordinated responses of individuals or groups of domestic dogs to internal and external stimuli. It has been shaped by millennia of contact with humans and their lifestyles. As a result of this physical and social evolution, dogs, more than any other species, have acquired the ability to

1970 was a very good year for network Saturday morning revenues, so 1971 brought a continuation of the shows that were working - along with remakes of proven series from the past. All three networks started giving in to pressure from parent groups to offer more educational, and less violent programs.
