and open movie theme featuring the piano as the lead instrument. The music reflects the uniqueness of Forrest Gump in its child-like simplicity, almost reminiscent of a playground song. There is an engaging playfulness to the opening of the theme and it is certainly approachable for beginner piano players.

This might be one of the most classic starter piano tunes. Fur Elise is a pretty simple melody that's easy to pick up even for beginners. It's also very recognizable, so it could be the first tune you bust out to get some appreciative nods. Even the tricky parts of the piece can be picked up easily with a little practice, so it's also a good piece to measure
