[PDF] On Directing Film | Semantic Scholar
The film director's primary task is to interpret the screenplay and translate it visually. He is the creative mind that chooses the aesthetic and technical specifications to be implemented in his vision. To succeed in this mission, he is involved from the early stages of pre-production all the way to the final phase of post.

FILM DIRECTING | Elements of Cinema
Rabiger has devised a clear and eminently practical method for film directing which also promotes individual creative expression. By meticulously exploring drama, craft, process and artistic perspective, he demonstrates how to plunge into the heart of a screenplay and emerge with a film that reflects the heart of the director."

Amazon.com: Directing, Fifth Edition: Film Techniques and ...
A film director controls a film's artistic and dramatic aspects and visualizes the screenplay (or script) while guiding the technical crew and actors in the fulfillment of that vision.The director has a key role in choosing the cast members, production design and all the creative aspects of filmmaking. Under European Union law, the director is viewed as the author of the film.

Film director - Wikipedia
Though the name of the book is "On Directing Film", I would say this book is more about screenwriting than direction. This is because Mamet by profession is a writer first, being a creator of several plays, screenplays and novels and a director later with superb films such as "House of Games".
