Peer Editing Guidelines Elementary
Peer Editing Guidelines. The purpose of peer-editing is to help students learn to be more active readers, to wean students away from constantly seeking approval from some authority, and to help teach students to rely on their editing and comprehension abilities and those of their peers. Peer editing stresses that good writing is not a single product—a one shot deal that is either done well or badly—but a process that allows students to help each other understand, improve, and refine.

Peer Editing Guidelines - Writing Lab
Peer editing is powerful and useful only when students have clear expectations and are focused on outcomes. Even young children can help classmates with their writing. When you use peers throughout...

Peer Editing Checklist for Elementary School | Study.com
Creating independent learners is the goal, and one way to approach that goal is to have students monitor their own progress through peer editing. Peer editing involves students working together to evaluate and revise each others writing. As students review the writing of their peers, they share ideas, create an atmosphere of cooperation, develop independence and responsibility, identify strengths and weaknesses in their writing and reinforce editing skills.

How to Peer-Edit ppt - wiziq
Peer Response and Editing Peer response and editing are processes through which students respond to and provide feedback on their peers' writing. They are not meant to take the place of teacher evaluation, but when incorporated into the writing process, they can be useful learning tools for both the writer and the student providing feedback.

Peer Response and Editing - TeacherVision
Introduction. Peer editing is a technique often used in composition and other writing-intensive courses. Students engaged in peer editing trade drafts of material they have written and provide each other with suggestions for improvement. This technique can be used at any point in the writing process--idea formation, outlining, draft revision, or copy editing a final draft.
