The forms of action are the different procedures by which a legal claim can be made. A plaintiff could start an action only when it is possible to state the claim in words that followed one of the forms. The forms of action govern all common-law pleadings. The common law actions are eleven in number. They are: trespass, trespass on the case,

Form of Action Law and Legal Definition
Form of action refers to the common-law legal and procedural device associated with a particular writ. Each of the writs had specific forms of process, pleading, trial, and judgment. Generally, forms of action are regarded as different methods of procedure adapted to cases of different kinds.
