etc., as well as a full description of the book.

## **The Nubl Wars The Pattern**

The Nubl wars continues the story of Zeke, Pod and the others from the earlier books. The book starts well enough but the ending felt a little bit of a let down in few ways. There are enough loose ends that could lead to another book but the ending feels a little rushed and lacks something in my opinion.

(The Nubl Wars is already quite full). In effect, Exodus is actually book 3A, but with numbering and naming conventions I took the decision to make it book 4. I hope you enjoy the added dimension that this book adds to the conclusion of the war against the Nubl hordes.
