Spelling is the combination of letters that form the written word. Reading and spelling go hand in hand, and very young kids start with the most basic understanding of spelling when they first learn how to put letters together. Later, as they become more proficient readers, they use spelling to begin the process of writing.

4 8 16 In the first call to the function, we only define the argument a, which is a mandatory, positional argument. In the second call, we define a and n, in the order they are defined in the function. Finally, in the third call, we define a as a positional argument, and n as a keyword argument. If all of the arguments are optional, we can even call the function with no arguments.
