RE: Zenoah G62?

Chief's price is between dealer and the \$424.95 they're told to sell them for if they buy from Horizon.. Horizon has a very tight policy on price, Chief might be buying G62s from Ebay for \$269.95 and buying hubs from Horizon ;)

Gas Engines - Starting a Zenoah G62 - I was a disbeliever when I started this thread, now with everyone's help and clear instructions (thanks again Wildmann) I'm a believer. That prop position thing is the key....make sure it's right or your engine will never start by hand. I don't even have a starter for my 2 G62's

ignition engine in a 88" Yak 54. My question is would this engine benefit power wise if it were modified to run with an electronic ignition system? Other than the obvious weight reduction of the engine (if there is one) I would like your opinion as to whether there would be a performance enhancement.
